

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Some of you may have noticed the change in the format of the front page last week and many of you just noticed something different. And yet some may not have noticed anything different at all — I learned this the hard way.

As with any change in style it is with some apprehension that we looked at the first copy off of the press last week. Being pleased with it, we asked our children what they thought of the change.

They looked at it for a while and then asked "what is different?" They did notice that this column was back but that was about all.

This is kinda hard on your ego.

Since a newspaper is somewhat like people and has its own appearance and personality we are always a little reluctant to make any changes in it. But this change was made in the hope that it would give the readers a little easier to read paper and also a better looking one.

For the benefit of those of you who noticed the change but did not figure out what was different we will try to explain the change.

We changed from the regular eight columns of type to seven with this column being set in larger type and about one and a half columns wide. By doing this we were able to add more white space between the columns.

For those who did not notice last week we are using the same format again this week.

Our family wound up the last installment of our vacation this past weekend by spending four days at the State Park on Lake Brownwood. Because of our responsibilities with the press convention and other matters we had to split up our vacation this year and just take long weekends.

Although it rained on us Saturday night we had a real nice time camping out at the park. Part of the time it was a little cool for swimming and skiing but it was real nice for camping.

One of the nicest things about the weekend was being away from a television set. We don't have anything against TV except that we find it is like most other habits it becomes excessive.

The whole family read more in four days than we had in the past year.

Reading is something that we have always enjoyed but it just seems like it is so easy just to sit down in front of the TV and let someone else read for you. Unfortunately they also do the selecting too.

Mary Newberry, Jones County HD Agent, has come up with the definitions of many of the foreign words that are used in menus that many of us may not know. With her help maybe you will know what you are getting before it is placed in front of you.

STREET LIGHTING DOUBLED — New street lights being installed by the City of Hamlin will double the previous lighting. Twenty-one 21,500 candle power mercury vapor lights were installed last week to replace 21 10,000 lumen bracket lights on South Central. Additional lights to be installed later on the Stamford, Aspermont and Rotan highways will be 40 mercury vapor lights of 8,000 candle power to replace 40 4,000 lumen bracket lights and four 6,000 lumen bracket lights to be replaced by four 8,000 candle power mercury vapor lights. Ex-Student Officers Meet Tuesday, Make Plans for Publication

The officers of the Hamlin Ex-Student Association met Tuesday Aug. 7 to discuss the progress of their preparations for the forthcoming Homecoming to be October 7-8.

Those present were President James Wright, Vice-president Jerry Williams, Secretary-treasurer Mrs. David Wade, Program chairman Mrs. Kenneth Riddle, Secretaries Mrs. Garland Preston, Mrs. Robert Fowler and Mrs. Mack Sellers, and Reporter Carol Joe Simpson.

As a new feature this year, the Homecoming Headquarters will be housed in the new Montgomery Ward building located on Central Avenue. These facilities have been made available to all Ex-Students through the courtesy of the Hamlin Store Manager, Mrs. Boyd Gibson.

This year an Ex-Student Publication will be printed to be sold at the various Homecoming activities. To make this publication possible, the officers are seeking help from anyone who might have information to contribute to the publication's content. Information concerning an ex-student should be sent to Hamlin Ex-Student Association, Box 323, or to Mrs. Kenneth Riddle at the telephone office.

The Ex-Student officers urge all Hamlin citizens, whether ex-student or not, to participate in this year's Homecoming activities, and are asking all local ex-Students to unite to make this the best homecoming ever. Homecoming will only be as good as the effort put into making it good, the officers declare.

Those wishing to help that have not been contacted are asked to contact one of the

officers as soon as possible.

It is the officers' desire to get every Hamlin citizen involved in the Homecoming activities. They are asking that on Saturday Oct. 8 every citizen wear some clothing bearing the school's doors of Green and white; especially are all the merchants requested to "deck-out" in green and white.

As a Hamlin citizen, each one is asked to come out and take part in Hamlin's Homecoming and help to make it a very successful "reunion weekend."

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 18, Article VII, Constitution of the State of Texas, be amended to read as follows:

Section 1. That Section 9, Article IX of the Constitution of the State of Texas be amended to read as follows: "Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all

the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (75c) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpayers electors thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice of the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpayer voters in the district concerned.

The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

(1) determining the desire of a majority of the qualified voters within the district to dissolve it;

(2) disposing of or transferring the assets, if any, of the district; and

(3) satisfying the debts and bond obligations, if any, of the district, in such manner as to protect the interest of the citizens within the district, including their collective property rights in the assets and property of the district, provided, however, that any grant from federal funds, however dispensed, shall be considered an obligation to be repaid in satisfaction and provided that no election to dissolve shall be held more often than once each year. In such connection, the statute shall provide against disposal or transfer of the assets of the district except for due compensation unless such assets are transferred to another governmental agency, such as a county, embracing such district and using such transferred assets in such a way as to benefit citizens formerly within the district.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment providing the method and manner for dissolution of hospital districts."

"AGAINST the constitutional amendment providing the method and manner for dissolution of hospital districts."

DESTINATION?

Postal employees do their best to interpret accurately the addresses written on our mail. However, some are so hastily written, and so poorly addressed that they may never reach their intended destination. A good many people go hastily through life, not realizing that they are headed in the wrong direction. The church points the way to salvation and desires that all should choose the way of our Lord and Saviour.

TAKE TIME FOR THE LORD
ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Mrs. Elmer Joiner
At last we have had some cold nights in August even have nice weather in daytime, but oh, those wonderful cool, good sleeping nights, have even had to pull extra cover before morning. After the hot dry weeks we just passed through, the rain and cooler weather is just wonderful. Makes you renew your faith in West Texas. Cotton is very good, no insect damage so far, the stalks are just loaded, looking at it now you would never know that it had come through such an ordeal recently. Barring some unforeseen calamity, such as the hail of a few years back, this should be one of those years known as a cotton year.

The Revival started at the Fairview Church last Friday night, with just the home folks there, Saturday night the visiting preacher, Rev. Billy Burke, from Wichita Falls, the pianist Linda Goodwin, were present, then Sunday night the song leader, Alton Hewitt, Hamlin, was there to finish out the leaders for the revival and get every thing in full swing. We even had several visitors, so we feel like we are getting going good this Monday morning and still ask every one that would to come worship with us.

Mr. and Mrs. J. D. King, Dallas, are spending a week with her sister, Mr. and Mrs. Fred Rosenbaum, and other relatives, and attending the revival with the Rosenbaums. Mrs. King is another one of those that attended our church when she was a little girl, the former Thelma Downey.

Mrs. Alma Holmes, mother of Flavil Holmes, is visiting them and attending the revival also.

Mrs. Woodrow Goodwin and Linda and Mrs. Elmer Joiner, went to Abilene last Thursday and visited with Mrs. Lois Hampton, in the Crestview Nursing Home. Went to go with her to the Rehab. Center but her daughter, Mrs. Lee Harrison, from Winters, was there preparing to take her. Mrs. Hampton has been having quite a bit of trouble with one of her legs but at this time it is much better.

As usual when this time of year comes, the maize is ready to harvest, so makes it hard for folks trying to go to church. Last year our revival was set up early, one of our men commented that it was nice to go to church without having maize sting you. When you work with it all of the bathing in the world won't get it all, but is has to be gathered, it is part of a farmers life.

We have some new folks in our community, we understand their name is Plumlee, and they have bought the Propst house and moved in last week. Did not learn any details such as where they came from, but do welcome them in our midst.

The tri-church W. M. U. and brotherhood met last Wednesday night with the Neinda Church. A good crowd was present, didn't get a count on the overall crowd, but the ladies had 16 present in their meeting, 13 from Neinda, 3

from Fairview and one from Hanna. The program was on Malaysia and was very interesting. The next night meeting will be with the Hanna Church.

Was good to see some more friends of bygone days back in our services Sunday night, Mr. and Mrs. Ray Huling and Mr. and Mrs. Johnnie Agnew.

The annual Ray reunion was held Saturday and Sunday in Cobb park, Abilene. This consists of the families of Will and Posey Ray and Mrs. R. J. Barrett and their descendants. Mrs. Barrett was presented as a special guest, since the reunion falls close around her birthday, and you aren't 92 years old very often. Mrs. Barrett reared her family in Anson, while her brothers lived in our community, the Posey Ray family having moved to the Levelland area many years ago, where the parents passed away several years ago. They reported the best attendance yet, at both Saturday night and Sunday, having had 83 registered Sunday. The star attraction was the Billy Hampton family, from Dallas, with their three month twins, William Cranston and Charles Bedford. Attending Sunday afternoon from this area was Mr. and Mrs. Johnnie Agnew and Mr. and Mrs. Elmer Joiner.

Let's not forget that next week is Fair Week in Anson, this is not just Anson's Fair, but is county wide, so if any of the women have any thing they would like to exhibit, be sure and see that it is there and that applies to the men also. There will be crop exhibits, antiques, and all kinds of hand work that women take part in, besides the other things, so look in your attic, do you have something that would be an antique to some of the younger people, anything fifty years old is considered an antique. There are a lot of us around, eh?

Mrs. Virgil W. Smith and Mr. and Mrs. Drew Preston of

Scott is employed with Southwestern Labs in Dallas and Miss Tabb has been employed there and will begin work Sept. 12.

Capt. Jack Drummond, stationed in Okinawa, Mr. and Mrs. Don Drummond of Petersburg, and Cliff Drummond of Austin, visited in the home

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FIFTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 33 proposing an Amendment to Section 6, Article XVI, Constitution of the State of Texas, to authorize state participation in programs financed with funds from private or federal sources and conducted by local level or other private, nonsectarian associations, groups, and nonprofit organizations for establishing and equipping facilities for assisting the blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, for their rehabilitation or restoration, or for providing other services essential for the better care and treatment of the handicapped.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 6, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 6. (a) No appropriation for private or individual purposes shall be made, unless authorized by this Constitution. A regular statement, under oath, and an account of the receipts and expenditures of all public money shall be published annually, in such manner as shall be prescribed by law.

"(b) State agencies charged with the responsibility of providing services to those who are blind, crippled, or otherwise physically or mentally handicapped may accept money from private or federal sources, designated by the private or federal source as money to be used in and establishing and equipping facilities for assisting those who are blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, in rehabilitation and restoring the handi-

capped, and in providing other services determined by the state agency to be essential for the better care and treatment of the handicapped. Money accepted under this subsection is state money. State agencies may spend money accepted under this subsection, and no other money, for specific programs and projects to be conducted by local level or other private, nonsectarian associations, groups, and nonprofit organizations, in establishing and equipping facilities for assisting those who are blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, in rehabilitation and restoring the handicapped, and in providing other services determined by the state agency to be essential for the better care or treatment of the handicapped.

"The state agencies may deposit money accepted under this subsection either in the state treasury or in other secure depositories. The money may not be expended for any purpose other than the purpose for which it was given. Notwithstanding any other provision of this Constitution, the state agencies may expend money accepted under this subsection without the necessity of an appropriation, unless the Legislature, by law, requires that the money be expended only on appropriation. The Legislature may prohibit state agencies from accepting money under this subsection or may regulate the amount of money accepted, the way the acceptance and expenditure of the money is administered, and the purposes for which the state agencies may expend the money. Money accepted under this subsection for a purpose prohibited by the Legislature shall be returned to the entity that gave the money.

"This subsection does not prohibit state agencies au-

thorized to render services to the handicapped from contracting with privately-owned or local facilities for necessary and essential services, subject to such conditions, standards, and procedures, as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment authorizing assistance to the blind, crippled, or otherwise physically or mentally handicapped, in the form of grants of public funds obtained from private or federal sources only, to local level or other private, nonsectarian associations, groups, and nonprofit organizations for establishing and equipping facilities to assist the handicapped in becoming gainfully employed, in rehabilitation and restoring the handicapped, or for providing other services essential for the better care and treatment of the handicapped."

"AGAINST the Constitutional Amendment authorizing assistance to the blind, crippled, or otherwise physically or mentally handicapped, in the form of grants of public funds, obtained from private or federal sources only, to local level or other private, nonsectarian associations, groups, and nonprofit organizations for establishing and equipping facilities to assist the handicapped in becoming gainfully employed, in rehabilitation and restoring the handicapped, or for providing other services essential for the better care and treatment of the handicapped."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

Some of you may have noticed the change in the format of the front page last week and many of you just noticed something different. And yet some may not have noticed anything different at all — I learned this the hard way.

As with any change in style it is with some apprehension that we looked at the first copy off of the press last week. Being pleased with it, we asked our children what they thought of the change.

They looked at it for a while and then asked "what is different?" They did notice that this column was back but that was about all.

This is kinda hard on your ego.

Since a newspaper is somewhat like people and has its own appearance and personality we are always a little reluctant to make any changes in it. But this change was made in the hope that it would give the readers a little easier to read paper and also a better looking one.

For the benefit of those of you who noticed the change but did not figure out what was different we will try to explain the change.

We changed from the regular eight columns of type to seven with this column being set in larger type and about one and a half columns wide. By doing this we were able to add more white space between the columns.

For those who did not notice last week we are using the same format again this week.

Our family wound up the last installment of our vacation this past weekend by spending four days at the State Park on Lake Brownwood. Because of our responsibilities with the press convention and other matters we had to split up our vacation this year and just take long weekends.

Although it rained on us Saturday night we had a real nice time camping out at the park. Part of the time it was a little cool for swimming and skiing but it was real nice for camping.

One of the nicest things about the weekend was being away from a television set. We don't have anything against TV except that we find it is like most other habits it becomes excessive.

The whole family read more in four days than we had in the past year.

Reading is something that we have always enjoyed but it just seems like it is so easy just to sit down in front of the TV and let someone else read for you. Unfortunately they also do the selecting too.

Mary Newberry, Jones County HD Agent, has come up with the definitions of many of the foreign words that are used in menus that many of us may not know. With her help maybe you will know what you are getting before it is placed in front of you.

A la (ah lah)—A French term which means to be with, such as apple pie a la mode means to serve with ice cream.

A la carte (ah lah cart)—Means that each dish is purchased separately.

A la king (ah lah king)—Served in a rich sauce which may contain green peppers, mushrooms, etc.

A la creme (ah lah cream)—To serve with cream.

Amadine (AH-mah-deen) — Served with almonds.

A jus (o ZHUS)—Served in the natural juice or gravy. Meat is often served this way.

Au Lait (oh LAY)—Either made or served with milk.

Au gratin (oh GRAT-in) — A dish topped with crumbs, grated cheese or cheese sauce.

Canape (CAN-a-pay)—An appetizer usually some type of bread which has been spread with a highly seasoned food.

Consomme (Kon-su-May) — A clear soup or broth.

Crepe (krapp)—a thin pancake.

Crouton (Kroo-Ton) — Bread cubes either toasted or fried.

Demitasse (DUH-me-tass)—After dinner coffee served in a small cup.

Fricassee (FRIK-a-see) — Browned and simmered in a small amount of liquid.

Hors d oeuvre (or-DUH-vr) — Small portions of food served as appetizers.

Julienne (Zhoo-li-ANN) — Vegetables cut into thin strips.

STREET LIGHTING DOUBLED — New street lights being installed by the City of Hamlin will double the previous lighting. Twenty-one 21,500 candle power mercury vapor lights were installed last week to replace 21 10,000 lumen bracket lights on South Central. Additional lights to be installed later on the Stamford, Aspermont and Retan highways will be 40 mercury vapor lights of 8,000 candle power to replace 40 4,000 lumen bracket lights and four 6,000 lumen bracket lights to be replaced by four 8,000 candle power mercury vapor lights. The lights are being installed by West Texas Utilities Co. employees.

Local School Approved for \$26,507 For Remedial Reading Program

The Hamlin Elementary School, first through eighth grades, has received approval for the remedial reading program for the 1966-67 school year, according to Supt. C. F. Cook. The amount granted under this program is \$26,507.00. This amount is only 85% of last year's grant.

There will be two class room teachers and four teachers aides employed under this act.

This program is for the purpose of helping children that are lagging in reading. There are 165 children identified for this program in the first eight grades.

Supt. Cook said, "We already have the best equipment that money can buy, therefore, we are spending the money on personnel to assist these children."

This program will start as soon after August 29 as possible. Mrs. Guy Weaver and Mrs. Pat Hughes have been employed to formulate this program again this year. Mrs. Bill Shira and Mrs. Johnny Steele are the aides.

Singing Sunday

Two more aids will be employed for this program but at this time the assignment nor who these aides will be has not been determined.

The evaluation of last year's program, conducted by the above teachers and aids was rated by the State Department as outstanding.

Ex-Student Officers Meet Tuesday, Make Plans for Publication

The officers of the Hamlin Ex-Student Association met Tuesday Aug. 7 to discuss the progress of their preparations for the forthcoming Homecoming to be October 7-8.

Those present were President James Wright, Vice-president Jerry Williams, Secretary-treasurer Mrs. David Wade, Program chairman Mrs. Kenneth Riddle, Secretaries Mrs. Garland Preston, Mrs. Robert Fowler and Mrs. Mack Sellers, and Reporter Carol Joe Simpson.

As a new feature this year, the Homecoming Headquarters will be housed in the new Montgomery Ward building located on Central Avenue. These facilities have been made available to all Ex-Students through the courtesy of the Hamlin Store Manager, Mrs. Boyd Gibson.

This year an Ex-Student Publication will be printed to be sold at the various Homecoming activities. To make this publication possible, the officers are seeking help from anyone who might have information to contribute to the publication's content. Information concerning an ex-student should be sent to Hamlin Ex-Student Association, Box 323, or to Mrs. Kenneth Riddle at the telephone office.

The Ex-Student officers urge all Hamlin citizens, whether ex-student or not, to participate in this year's Homecoming activities, and are asking all local ex-Students to unite to make this the best homecoming ever. Homecoming will only be as good as the effort put into making it good, the officers declare.

Those wishing to help that have not been contacted are asked to contact one of the

officers as soon as possible.

It is the officers' desire to get every Hamlin citizen involved in the Homecoming activities. They are asking that on Saturday Oct. 8 every citizen wear some clothing bearing the school's doors of Green and white; especially are all the merchants requested to "deck-out" in green and white. As a Hamlin citizen, each one is asked to come out and take part in Hamlin's Homecoming and help to make it a very successful "reunion weekend."

Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 39 proposing an amendment to Section 18, Article VII, Constitution of the State of Texas, to withdraw Arlington State College from participation in the Permanent University Fund.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 18, Article VII, Constitution of the State of Texas, be amended to read as follows:

"Section 18. For the purpose of constructing, equipping, or acquiring buildings or other permanent improvements for the Texas A & M University System, including Texas A & M University, Prairie View Agricultural and Mechanical College of Texas at Prairie View, Tarleton State College at Stephenville, Texas Agricultural Experiment Stations, Texas Agricultural Extension Service, Texas Engineering Experiment Station at College Station, Texas Engineering Extension Service at College Station, and the Texas Forest Service, the Board of Directors is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of one-third (1/3) of twenty per cent (20%) of the value of the Permanent University Fund exclusive of real estate at the time of any issuance thereof; provided, however, no building or other permanent improvement shall be acquired or constructed hereunder for use by any part of the Texas A & M University System, except at and for the use of the general academic institutions of said System, namely, Texas A & M University, Tarleton State College, and Prairie View A & M College, without the prior approval of the Legislature or of such agency as may be authorized by the Legislature to grant such approval; and for the purpose of constructing, equipping, or acquiring buildings or other permanent improvements for the University of Texas System, including The Main University of Texas at Austin, The University of Texas Medical Branch at Galveston, The University of Texas Southwestern Medical School at Dallas, The University of Texas Dental Branch at Houston, Texas Western College of The University of Texas at El Paso, The University of Texas M. D. Anderson Hospital and Tumor Institute at Houston, The University of Texas Postgraduate School of Medicine, The University of Texas School of Public Health, McDonald Observatory at Mount Locke, and the Marine Science Institute at Port Aransas, the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds and notes not to exceed a total amount of two-thirds (2/3) of twenty per cent (20%) of the value of the Permanent University Fund exclusive of real estate at the time of any issuance thereof; provided, however, no building or other permanent improvement shall be acquired or constructed hereunder for use by any institution of The University of Texas System, except at and for the use of the general academic institutions of said System, namely, The Main University and Texas Western College, without the prior approval of the Legislature or of such agency as may be authorized by the Legislature to grant such approval. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than thirty (30) years from their respective dates.

"The Texas A & M University System and all of the institutions constituting such System as hereinabove enumerated, and The University of Texas System, and all of the institutions constituting such System as hereinabove enumerated, shall not receive any General Revenue funds for the acquiring or constructing of buildings or other permanent improvements, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case

an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of General Revenue funds. "Said Boards are severally authorized to pledge the whole or any part of the respective interests of Texas A & M University and of The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 42nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable. This Amendment shall be self-enacting provided, however, that nothing herein shall be construed as impairing any obligation heretofore created by the issuance of any outstanding notes or bonds under this Section by the respective Boards prior to the adoption of this Amendment but any such outstanding notes or bonds shall be paid in full, both principal and interest, in accordance with the terms of such contracts."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment withdrawing Arlington State College from participation in the Permanent University Fund."

"AGAINST the Constitutional Amendment withdrawing Arlington State College from participation in the Permanent University Fund."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the constitution and laws of this state.

PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.
HOUSE JOINT RESOLUTION NO. 13 proposing an Amendment to Sections 2 and 4 of Article VI of the Constitution of the State of Texas as so as to repeal the provision making payment of the poll tax a requirement for voting and so as to authorize the Legislature to provide for the registration of all voters.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 2 of Article VI of the Constitution of the State of Texas be amended, effective February 1, 1968, by deleting the following language:

"and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before an officer authorized to administer oaths that such tax receipt has been lost, misplaced or destroyed, and by substituting therefor the following language:

"provided, however, that before offering to vote at an election a voter shall have registered annually, but such requirement for registration shall not be considered a qualification of an elector within the meaning of the term 'qualified elector' as used in any other Article of this Constitution in respect to any matter except qualification and eligibility to vote at an election. Any legislation enacted in anticipation of the adoption of this Amendment shall not be invalid because of its anticipatory nature. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation. Any member of the Armed Forces of the United States or component branches thereof; or in the military service of the United States, may vote only in the county in which he or she resided at the time of en-

language underscored;

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one (21) years and who shall be a citizen of the United States and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before an officer authorized to administer oaths that such tax receipt has been lost, misplaced or destroyed, and by substituting therefor the following language:

"provided, however, that before offering to vote at an election a voter shall have registered annually, but such requirement for registration shall not be considered a qualification of an elector within the meaning of the term 'qualified elector' as used in any other Article of this Constitution in respect to any matter except qualification and eligibility to vote at an election. Any legislation enacted in anticipation of the adoption of this Amendment shall not be invalid because of its anticipatory nature. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation. Any member of the Armed Forces of the United States or component branches thereof; or in the military service of the United States, may vote only in the county in which he or she resided at the time of en-

tering such service so long as he or she is a member of the Armed Forces."

Section 2. That Section 4 of Article VI of the Constitution of the State of Texas be amended by changing the word "may" to "shall" in the last clause thereof and by deleting the words "in all cities containing a population of ten thousand inhabitants or more."

The text of this Section, as so amended, is shown below, with the deleted language marked through by a broken line and with the new language underscored:

"Section 4. In all elections by the people, the vote shall be by ballot, and the Legislature shall provide for the numbering of tickets and make such other regulations as may be necessary to detect and punish fraud and preserve the purity of the ballot box; and the Legislature may shall provide by law for the registration of all voters in all cities containing a population of ten thousand inhabitants or more."

Section 3. If any other Amendment to Sections 2 or 4 of Article VI of the Constitution of the State of Texas, being for a different purpose, is adopted at an earlier election or at the same election, the adoption of this Amendment shall not be construed as nullifying any change made by such other Amendment.

Section 4. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR repealing the poll tax as a requirement for voting.

Section 5. If the foregoing Amendment is adopted, the proclamation of the Governor declaring the adoption of the Amendment shall set forth the full text of the amended Sections, as amended herein and as amended by any other proposed Amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.

FAIRVIEW NEWS ...

Mrs. Elmer Joiner ... At last we have had some cold nights in August even have nice weather in daytime, but oh, those wonderful cool, good sleeping nights, have even had to pull extra cover before morning. After the hot dry weeks we just passed through, the rain and cooler weather is just wonderful. Makes you renew your faith in West Texas. Cotton is very good, no insect damage so far, the stalks are just loaded, looking at it now you would never know that it had come through such an ordeal recently. Barring some unforeseen calamity, such as the hail of a few years back, this should be one of those years known as a cotton year.

The Revival started at the Fairview Church last Friday night, with just the home folks there, Saturday night the visiting preacher, Rev. Billy Burke, from Wichita Falls, the pianist Linda Goodwin, were present, then Sunday night the song leader, Alton Hewitt, Hamlin, was there to finish out the leaders for the revival and get every thing in full swing. We even had several visitors, so we feel like we are getting going good this Monday morning and still ask every one that would to come worship with us.

Mr. and Mrs. J. D. King, Dallas, are spending a week with her sister, Mr. and Mrs. Fred Rosenbaum, and other relatives, and attending the revival with the Rosenbaums. Mrs. King is another one of those that attended our church when she was a little girl, the former Thelma Downey.

Mrs. Alma Holmes, mother of Flavil Holmes, is visiting them and attending the revival also.

Mrs. Woodrow Goodwin and Linda and Mrs. Elmer Joiner, went to Abilene last Thursday and visited with Mrs. Lois Hampton, in the Crestview Nursing Home. Went to go with her to the Rehab. Center but her daughter, Mrs. Lee Harrison, from Winters, was there preparing to take her. Mrs. Hampton has been having quite a bit of trouble with one of her legs but at this time it is much better.

As usual when this time of year comes, the maize is ready to harvest, so makes it hard for folks trying to go to church. Last year our revival was set up early, one of our men commented that it was nice to go to church without having maize sting you. When you work with it all of the bathing in the world won't get it all, but is has to be gathered, it is part of a farmers life.

We have some new folks in our community, we understand their name is Plumlee, and they have bought the Propst house and moved in last week. Did not learn any details such as where they came from, but do welcome them in our midst.

The tri-church W. M. U. and brotherhood met last Wednesday night with the Neinda Church. A good crowd was present, didn't get a count on the overall crowd, but the ladies had 16 present in their meeting, 13 from Neinda, 3

from Fairview and one from Hanna. The program was on Malaysia and was very interesting. The next night meeting will be with the Hanna Church.

Was good to see some more friends of bygone days back in our services Sunday night, Mr. and Mrs. Ray Huling and Mr. and Mrs. Johnnie Agnew.

The annual Ray reunion was held Saturday and Sunday in Cobb park, Abilene. This consists of the families of Will and Posey Ray and Mrs. R. J. Barrett and their descendants. Mrs. Barrett was presented as a special guest, since the reunion falls close around her birthday, and you aren't 92 years old very often. Mrs. Barrett reared her family in Anson, while her brothers lived in our community, the Posey Ray family having moved to the Levelland area many years ago, where the parents passed away several years ago. They reported the best attendance yet, at both Saturday night and Sunday, having had 83 registered Sunday. The star attraction was the Billy Hampton family, from Dallas, with their three month twins, William Cranston and Charles Bedford. Attending Sunday afternoon from this area was Mr. and Mrs. Johnnie Agnew and Mr. and Mrs. Elmer Joiner.

Let's not forget that next week is Fair Week in Anson, this is not just Anson's Fair, but is county wide, so if any of the women have any thing they would like to exhibit, be sure and see that it is there and that applies to the men also. There will be crop exhibits, antiques, and all kinds of hand work that women take part in, besides the other things, so look in your attic, do you have something that would be an antique to some of the younger people, anything fifty years old is considered an antique. There are a lot of us around, eh?

Garden Club Head Resigns; Mrs. Dick Maberry Named

Mrs. Virgil W. Smith and Mr. and Mrs. Drew Preston of

Proposed CONSTITUTIONAL AMENDMENT NUMBER FIFTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966. SENATE JOINT RESOLUTION NO. 33 proposing an Amendment to Section 6, Article XVI, Constitution of the State of Texas, to authorize state participation in programs financed with funds from private or federal sources and conducted by local level or other private, nonsectarian associations, groups, and nonprofit organizations for establishing and equipping facilities for assisting the blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, for their rehabilitation or restoration, or for providing other services essential for the better care and treatment of the handicapped.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 6, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 6. (a) No appropriation for private or individual purposes shall be made, unless authorized by this Constitution, under each, and an account of the receipts and expenditures of all public money shall be published annually, in such manner as shall be prescribed by law.

(b) State agencies charged with the responsibility of providing services to those who are blind, crippled, or otherwise physically or mentally handicapped may accept money from private or federal sources, designated by the private or federal source as money to be used in and establishing and equipping facilities for assisting those who are blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, in rehabilitation, and restoring the handi-

capped, and in providing other services determined by the state agency to be essential for the better care and treatment of the handicapped. Money accepted under this subsection is state money. State agencies may spend money accepted under this subsection, and no other money, for specific programs and projects to be conducted by local level or other private, nonsectarian associations, groups, and nonprofit organizations, in establishing and equipping facilities for assisting those who are blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, for their rehabilitation or restoration, and in providing other services determined by the state agency to be essential for the better care or treatment of the handicapped.

"The state agencies may deposit money accepted under this subsection either in the state treasury or in other secure depositories. The money may not be expended for any purpose other than the purpose for which it was given. Notwithstanding any other provision of this Constitution, the state agencies may expend money accepted under this subsection without the necessity of an appropriation, unless the Legislature, by law, requires that the money be expended only on appropriation. The Legislature may prohibit state agencies from accepting money under this subsection or may regulate the amount of money accepted, the way the acceptance and expenditure of the money is administered, and the purposes for which the state agencies may expend the money. Money accepted under this subsection for a purpose prohibited by the Legislature shall be returned to the entity that gave the money.

"This subsection does not prohibit state agencies au-

thorized to render services to the handicapped from contracting with privately-owned or local facilities for necessary and essential services, subject to such conditions, standards, and procedures as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:
